

# WINTER IN THE UK, JANUARY 2010

THE WINTER OF 2010 IN THE UK IS SAID TO BE THE COLDEST FOR 30 YEARS!

ALREADY PEOPLE ARE COMPARING IT WITH THE 'BIG FREEZE' OF 1963 AND THE BITTER WINTER OF 1947.

THE PHOTOGRAPH AT THE TOP LEFT IS OF MY BACK GARDEN, AND THE REST OF THE PHOTOGRAPHS ARE TAKEN ON A WALK AROUND LOUGHBOROUGH NEAR WHERE I LIVE.

# WINTER IN THE UK, JANUARY 2010

THE TOP PICTURE ON THE LEFT SHOWS WORKMEN TRYING TO FIX ONE OF THE STREET LAMPS.

THE REST OF THE PICTURES SHOW LOCAL CHILDREN (AND DOG!) ENJOYING PLAYING IN THE SNOW! THE CHILDREN ARE PLAYING WITH A SLEDGE (IN GREEN) WITH WHICH THEY ARE SLIDING DOWN THE HILL.
